This notice explains how Sima Tech Ltd (Сима Тек ООД), UIC 206762842, Pernik, Bulgaria, the operator of Burgas Now, processes personal data under the EU General Data Protection Regulation (GDPR).

Controller and contact

- Sima Tech Ltd (Сима Тек ООД), Pernik, Bulgaria, UIC 206762842, VAT BG206762842.
- Data protection requests: Admin@scrumjobs.net · +359 879 983 830.

What we process

- Merchant accounts: email address and authentication identifiers, venue and event details you publish.
- Approximate location: only if you explicitly enable it. Coordinates are used in your browser to pick a city zone and are not stored on our servers.
- Local device storage: your language choice, saved licence plate and location preference stay on your device and are never uploaded.
- Technical logs: IP address and request metadata generated by our hosting and database providers for security and abuse prevention.

Legal bases

- Consent (Art. 6(1)(a)) for location access and optional promotions.
- Contract (Art. 6(1)(b)) for merchant accounts and paid promotions.
- Legitimate interests (Art. 6(1)(f)) for service security, fraud prevention and aggregated usage statistics.
- Legal obligation (Art. 6(1)(c)) for accounting and tax records.

Sharing and transfers

- Processors: our cloud hosting, database and authentication provider, and Google Maps Platform for maps and directions. Weather data is requested from Open-Meteo.
- Where a processor operates outside the EEA, transfers rely on the European Commission's Standard Contractual Clauses.
- We never sell personal data.

Retention

- Merchant account and venue data: for as long as the account is active, then deleted within 12 months of closure.
- Accounting records: 5 years as required by Bulgarian law.
- Technical logs: up to 90 days.

Your rights

- You may request access, rectification, erasure, restriction, portability, or object to processing, and withdraw consent at any time.
- Write to Admin@scrumjobs.net. We answer within one month.
- You may lodge a complaint with the Bulgarian Commission for Personal Data Protection (CPDP), Sofia, 2 Prof. Tsvetan Lazarov Blvd.

Business claims and paid packages

- Claim records: the venue you claim, your user ID, the role and evidence you submit, the review decision and its timestamp. Legal basis: contract and our legitimate interest in preventing fraudulent claims.
- Payment records: package purchased, price, currency, the Stripe checkout session and payment identifiers, the terms version you accepted and the acceptance timestamp, period start and end, refund status. Legal basis: contract and legal obligation (accounting).
- Card data is entered on Stripe's own checkout page. Stripe acts as an independent controller and as our payment processor; we never receive full card numbers.
- Administrator audit records: which administrator approved, rejected, promoted or refunded, and when. Legal basis: legitimate interest in accountability.
- Retention: payment and accounting records are kept 5 years as required by Bulgarian law; claim and audit records are kept for the life of the account and 12 months after closure.
- Recipients: Stripe (payments), our cloud hosting, database and authentication provider, and our accountant. Transfers outside the EEA rely on the European Commission's Standard Contractual Clauses.

First-party analytics

- We log anonymous interaction events (which surface, which action, language, timestamp) to our own database to understand which parts of the guide are useful.
- We use no third-party analytics, advertising or tracking services. These events are not used to profile individuals.
